

Can I Get a Witness?

State College Access Church

Fall Life Group

Pastor Jonathan Srock

Overview

The Can I Get a Witness Life Group is a practical workshop group for discussion, formation, and testing of witnessing strategies. Our group has three steps to preparing every individual to witness to various religious groups and individuals:

1. Evaluation and Discussion of Religions and Religious Beliefs
2. Development of Personal Evangelism Strategies
3. Testing and Practicing Your Personal Strategies in Our Group

You can attend this group in person or virtually through Zoom (Link will be on church website). Group meetings will be available in audio and video on my website (teaching portion only), on Google Drive, and a private Facebook Group. Volunteering group members will provide lunch each week. Bring your questions and examples of the unsaved loved ones in your life.
